

# Staircasing Valuation Request Form

## Instructing a Valuer

Thank you for your enquiry about buying more shares (known as Staircasing).

The first stage of Staircasing involves instructing a Valuer to value your home. To determine the value of your home you must instruct an independent Valuer, qualified through the Royal Institution of Chartered Surveyors (RICS).

We have a panel of Valuers for you to choose from below. The Valuers on our panel are independent of Guinness and are qualified by the Royal Institution of Chartered Surveyors. They have a wealth of experience in valuing homes and can offer preferred rates to Guinness customers and residents.

We have included their contact details should you wish to contact them with any queries, including their fees. Please remember to inform them that you are living in a Guinness property so they can confirm any preferential rates.

- The Valuer needs to be independent and cannot be associated with any estate agents.
- The Valuer must not be related to you.
